Dear Mr. Knoche,

During your visit to NPIC recently, I spoke with you about Skip-Jack prints and you indicated an interest. Therefore, I'm enclosing some proof-prints. Most of these prints were used in the Headquarters exhibition.

You can crop as you wish, and should you decide the prints can be enlarged up to briefing board size (24x30).

Please return those proof-prints you wish enlarged, discard the others. STATINTL
